REPORT

On the 09/08/2009 at approximately 23h35 Supervisor Keith and SRA Reaction Officer responded to a panic activation received from 711 Puttick. It was established that a suspicious white Jetta with registration number NVN076GP was outside the premises with an unknown amount of occupants. Upon their arrival the vehicle had already fled due to the Guard activating the panic system.

The registration number was given to the SAPS and was found negative.
