Dear Clients,

ICASA RADIO TRANSMITTER LICENCE FEES

Firstly we would like to thank you for your valued support of The SRA and our Company, Piranha Security.

Please note that the Christmas period is rapidly approaching. This time of the year Alarm repairs and installations are at a premium and therefore we recommend that you book for any repairs and installations well in advance.

Each year we are also required to pay the State Radio Licence fees for each and every radio alarm transmitter as well as high site licence fees, access fees, admin fees, two way radio licence fees and obviously collection/bank costs.

All Security Companies pass these costs on to their Clients and some Companies invoice out as much as R 155.00.

We are only invoicing an amount of R122.00 Excl Vat for this entire year as we have absorbed a large portion of the cost.

Most Clients are on debit orders and therefore we do not send out invoices as the Fee is compulsory in terms of our contracts either with the Residents Association or the Client themselves. We will upon request supply an invoice via a fax or E-Mail and should you have any queries in this regard please do not hesitate to contact us on 011 792-4000 during office hours.

Yours Faithfully,
