2) Light coloured (light grey, off-white or silver) Opel Kadet. Registration number of KDX995GP involved in car jackings - - false plates.

3) Brown / Gold 1980 Mercedes Benz driven by one Indian man, carrying a suit case inside his car with sweets inside - - moving around schools.

Residents, schools and businesses are urged to be cautious and not take chances.

GENERAL

4) Criminals CONTINUE to making use of state and municipal vehicles and uniforms to gain illegal access to properties. These include City Power, City of Joburg (Valuation, Rates and Taxes) and even Roads Agency vehicles and uniforms.

Should your property be approached and they are suspicious. Please call 10111.

It is no use going inside to call or check, establish that they are suspicious and then go back outside again.

During the time you are inside, they most likely will have gained access to your property. Please inform your domestic workers. These incidents take place during the day.

SUCCESSSES

5) Three men have been apprehended for stealing GATE MOTORS. If you have recently had a gate motor stolen (in the Linden Precinct) please ensure the theft has been reported at the police station. At this stage the suspects have been linked to 8 cases in the Linden Precinct.

Please approach Inspector Mogale of the Linden SAPS if you have seen any people possibly involved in gate motor theft.

6) A rape suspect has also been arrested within the last few days for a rape committed in the Windsor area.

The information has been supplied by Linden SAPS and is issued by the Linden Community Police Forum as a public awareness service to residents, businesses and schools in the Linden Precinct.
