

PIRANHA ANNUAL LICENCE FEE

Dear Members with Piranha Transmitters & EFT Members

Each year Piranha are also required to pay the State Radio Licence fees for each and every radio alarm transmitter as well as high site licence fees, access fees, admin fees, two way radio licence fees and obviously collection/bank costs.

All Security Companies pass these costs on to their Clients and some Companies invoice out as much as R 155.00.

Just to bring to your attention that the SRA will be deducting R140 + your monthly contribution at the beginning of August 2010 for the Piranha Annual Fee. This fee is compulsory.

These fees will be handed over to Piranha.
