

SUNDOWNER SECURITY WARNING

14 September 2011

Greetings

We have seen an increase in opportunistic crimes occurring in Sundowner. We appeal to residents to be more vigilant and aware of their individual security. The criminals are targeting vehicles which are left inside premises where the access to these properties is relatively easy. Thus there is no deterrent or early warning in the form of an electric fence or alarm system in place to warn the homeowner or Securitas.

Please remember that your SRA membership includes monitoring and armed reaction for your property at no additional charge. We ask that residents do not leave valuables in their vehicles especially if they have no secure area to park their vehicle.

For a free Security Threat Assessment of your property please call 072-810-2467.

For any Emergencies please contact our 24 Hour Control Centre on 011-792-4000.

Should you require any additional information, please do not hesitate to contact me.

Regards
